

Xiomara's Story

Xiomara Creque, Export Import Bank of the U.S.

My cause is human trafficking, which is a deplorable crime. Humans should never be used as a commodity or a profit-making source. The impact of CFC funding is a nationwide outreach that provides more awareness. The CFC is a good organization supporting fundraising for domestic and international nonprofits in various fields.

“My cause is human trafficking, which is a deplorable crime. Humans should never be used as a commodity or a profit-making source.”
